 - Playground Bottom step of the climbing frame is loose. Cllr Roper will go and have a look. Cllr Edwards with assistance from Cllr Roper will undertake March's inspection.
 - Burial Ground Moles seem to have gone. Cllr Roper with assistance from Cllr and Cllr Roper Edwards will undertake March's inspection.
- 10. Working Party and General Updates:
 - Crime data update 8 crimes in the neighbourhood team area of Tideswell, Litton, Baslow and Beeley in December 2016. None in Baslow
 - New Playground/Recreation Area -
 - Planning Clerk has resubmitted the planning application
 - Memorandum of Understanding (MoU) has been received from the Sports Field and looked at by the Working Group. It was felt the document (which has been circulated to Councillors) was too long and biased towards the Sports Field. The Clerk has written a revised document but this has not yet been discussed fully by the Working Group due to holidays. This was tabled to the Councillors for information.
 - The Sports Field has written a 5-page objection to the planning application prior to seeing the revised MoU despite the Clerk informing Peter Holt of the delay in responding to the MoU due to holidays. There was a discussion about the Sports Field position. There was a debate about the ball stop netting. There was a query about whether ball stop netting should be erected by the road and why netting was not erected previously as the woodland has always been accessed by the public particularly children. A net over 2m would need planning permission and the Parish Council could apply for this on the Sports Field behalf.
 - It was agreed to see what the planning decision is and then try to work again with the Sports Field. One option is to say we'll do our bit and they can do theirs. This is the worst possible option. However there needs to be realistic agreement on the funding the Parish Council can provide. If the Sports Field want a higher spec ball stop net or path than the Parish Council can fund, then they will need to find the shortfall.
 - It was agreed to comment on the planning application saying that the development will not go ahead without suitable safety provision and that the Parish Council has always said they would provide a grant for an appropriate ball stop net based on information about ball ingress collected by the Sports Field clubs.
 - Footpaths Nothing to report
 - Roundabouts and Village Green
 - Planter application has been submitted and no update
 - Rowley's roundabout Bradders Nursery at Brampton have offered to provide the shrubs for planting the island as agreed and maintain them for 5 years. They would like a small sponsorship sign as a result of this. This will need
 Clerk permission and the Clerk will look in to this.
 - Village sign application has been submitted but Clerk has been advised need Clerk

Chairman's Signature Date

to apply for planning permission first. It was agreed to submit a planning application.

- Dry stone wall on the roundabout application submitted and awaiting a 0 response. Chatsworth is waiting to do any work on that roundabout until they know what is happening with the wall. The Clerk advised that she had been warned there were concerns about a wall on that roundabout. As there is now going to be a village sign on the green it was felt that a wall was not necessary as well. Therefore the Clerk will withdraw the wall request and ask Chatsworth to develop the wildflower meadow on the roundabout.
- Concrete slab removal a second quote had been requested and Clerk is meeting them on site on Thursday 23rd February.
- Emergency Planning Nothing to report
- RHS Chatsworth Liaison meeting has been held and an update sent round the village.
- Village Triangle at the top of Eaton Hill There is a concern about the damage that has been caused on the village triangle including to the trees. It was agreed to inform the PDNPA Tree Officer and Cllr Keen will email him with the photos of the damage she has.
