- 2. The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:
 - . The annual internal audit report is completed by the authority's internal auditor.
 - . Sections 1 and 2 are to be completed and approved by the authority.
 - . Section 3 is completed by the external auditor and will be returned to the authority.
- The authority must approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both must be approved before 2 July 2018.
- 4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or requesting a limited assurance review, must send to the external auditor:

Unless requested, do not send any original records to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed and is able to give an opinion on the limited assurance review, the Annual Governance and Accountability Return including Section 3 – External Auditor Report and Certificate will be returned to the authority.

Publication Requirements

Smaller authorities with either income or expenditure exceeding £25,000 must publish on a public website, under the Accounts and Audit Regulations 2015, the Annual Governance and Accountability Return:

- Section 1 Annual Governance Statement 2017/18, page 4
- Section 2 Accounting Statements 2017/18, page 5
- Section 3 The External Auditor Report and Certificate 2017/18, page 6
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

for a complete list of bodies that may be smaller authorities refer to schedule 2 to Local Audit and Accountability Act 2014.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2017/18

- The authority must comply with Proper Practices in completing Sections 1 and 2 of this Annual Governance and Accountability Return. Proper Practices are found in the Practitioners' Guide* which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed Annual Governance and Accountability Return. Any amendments must be approved by the authority, properly initialled and accompanied by an explanation. If the Annual Governance and Accountability Return contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority should receive and note the annual internal audit report prior to approving the annual governance statement and before approving the accounts.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness before sending it to the external auditor.
- Do not send the external auditor any information not specifically requested. However, you must inform your external auditor about any change of Clerk, Responsible Finance Officer or Chairman, and provide relevant email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the Annual Governance and Accountability Return covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
- Explain fully significant variances in the accounting statements on page 5. Do not just send a copy of the detailed
 accounting records instead of this explanation. The external auditor wants to know that you understand the reasons
 for all variances. Include complete numerical and narrative analysis to support the explanation.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs will be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).
- Please enter the authority's name only in Section 3 on Page 6. Do not complete the remainder of that section, which is reserved for the external auditor.
- The Responsible Financial Officer (RFO), on behalf of the authority, must set the commencement date for the
 exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the
 accounts and accounting records can be inspected. Whatever period the RFO sets it must include a common
 inspection period during which the accounts and accounting records of all smaller authorities must be available
 for public inspection of the first ten working days of July.
- The authority must publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor.

Explanations of significant variances

We require explanations for significant variances (increases or decreases) of more than 15% between 2017 and 2018 in boxes 2, 3, 4, 5, 6 and 9. Variances of less than 15% or less than £250 need not be explained.

Your explanations must be quantified, ie state how much of the variance is covered by each specific explanation. Your explanations must ensure that the variances for each box are explained and quantified to within 15%.

Guidance is available at paragraph 6 on the back of the 2018 Annual Return and in the *Practitioners' Guide* – available on line at the NALC website.

You can set out your explanations of variances in any way you wish, but they should be clear and complete and easy to follow.

Our suggested method of how to identify variances that require explanation, and suggested layout for providing explanations are set out below.

Positive and negative variances must be explained

Code of Conduct June 2012

As a member or co-opted member of Baslow and Bubnell Parish Council, I have a responsibility to represent the community and work constructively with our staff and partner organisations to secure better social, economic and environmental outcomes for all.

In accordance with the Localism Act provisions, when acting in this capacity i.e.

- At formal meetings of the Council, its Committees and Sub-Committees
- When acting as a representative of the authority
- In discharging functions as a Ward Member
- At briefing meetings with officers and at site visits
- When corresponding with the authority, other than in a private capacity

I am committed to behaving in a manner that is consistent with the following principles to achieve best value for our residents and maintain public confidence in this authority.

SELFLESSNESS: Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

INTEGRITY: Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

OBJECTIVITY: In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

ACCOUNTABILITY: Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

OPENNESS: Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

HONESTY: Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

BULLYING AND HARASSMENT: Holders of public office must treat others with respect and must not pursue a course of conduct which amounts to bullying or harassment of another.

LEADERSHIP: Holders of public office should promote and support these principles by leadership and example.

The Act provides for registration and disclosure of interests and in Baslow and Bubnell Parish Council, this will be done as follows:

1. DISCLOSABLE PECUNIARY INTERESTS

I will -

- Comply with the statutory requirements to register, disclose and withdraw from participating in respect of any matter in which I have a Disclosable Pecuniary Interest as defined in Appendix A.
- Keep my register of interests up to date and notify the Monitoring Officer in writing within 28 days of becoming aware of any change in respect of my interests.
- Make verbal declaration of the existence and nature of any Disclosable Pecuniary Interest at any meeting at which I am present at which an item of business which affects or relates to the subject matter of that interests is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.

2. SENSITIVE INFORMATION

Where I consider that the information relating to any of my interests in 1 above is sensitive information, and the District Council's Monitoring Officer/Parish Council Clerk agrees, I need not include that information when registering that interest, or, as the case may be, a change to that interest under section 1. In this Code "sensitive information" means information whose availability for inspection by the public creates or is likely to create, a serious risk that I or a person who lives with me may be subjected to violence or intimidation.

3. OTHER INTERESTS

In addition to the statutory requirements, I will make verbal declaration of the existence and nature of any other non disclosable pecuniary interest or non pecuniary interest at any meeting at which I am present at which an item of business is under consideration, at or before the consideration of the item, or as soon as the interest becomes apparent where –

- The matter may be particularly regarded as affecting the well-being or financial standing of me, a friend or a member of my family
- It relates to, or is likely to affect, any of the interests listed in Appendix A to this Code, but in respect of my family or friends.

As a Member of Baslow and Bubnell Parish Council, my conduct will in particular address the statutory principles of the Code of Conduct by:

Championing the needs of residents – the whole community and in a special way
my constituents, including those who did not vote for me - and putting their
interests first.

- Dealing with representations or enquiries from residents, members of our communities and visitors fairly, appropriately and impartially.
- Not allowing other pressures, including the financial interests of myself or others connected to me, to deter me from pursuing constituents' casework, the interests of the Parish Council or the good governance of the authority in a proper manner.
- Exercising independent judgement and not compromising my position by placing
 myself under obligations to outside individuals or organisations who might seek to
 influence the way I perform my duties as a member/co-opted member of this
 authority.
- Listening to the interests of all parties, including relevant advice from statutory and other professional officers, taking all relevant information into consideration, remaining objective and making decisions on merit.
- Being accountable for my decisions and co-operating when scrutinised internally and externally, including by local residents.
- Contributing to making this authority's decision-making processes as open and transparent as possible to enable residents to understand the reasoning behind those decisions and to be informed when holding me and other members to account but restricting access to information when the wider public interest or the law requires it.
- Respecting the confidentiality of information which I receive as a member in accordance with the District Council's Member/Employee Protocol.
- Behaving in accordance with all our legal obligations, with particular regard to the:
 - Data Protection Act 1998
 - Freedom of Information Act 2000
 - Bribery Act 2010
 - Equality Act 2010
- Having regard to the principles of the authority's policies, protocols and procedures, including on the use of the Authority's resources.
- Valuing my colleagues and staff and engaging with them in an appropriate manner and one that underpins the mutual respect between us that is essential to good local government.
- Always treating people with respect, including the organisations and public I engage with and those I work alongside.
- Providing leadership through behaving in accordance with these principles when championing the interests of the community with other organisations as well as within this authority.
