Annual Governance and Accountability Return 2018/19 Part 3

To be completed by Local Councils, Internal Drainage Boards and other Smaller Authorities*:

- where the higher of gross income or gross expenditure exceeded £25,000 but did not exceed £6.5 million; or
- where the higher of gross income or gross expenditure was £25,000 or less but:
 - · are unable to certify themselves as exempt (fee payable); or
 - have requested a limited assurance review (fee payable)

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2018/19

- Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 must complete Part 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with Proper Practices.
- 2. The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:
 - The annual internal audit report is completed by the authority's internal auditor.
 - · Sections 1 and 2 are to be completed and approved by the authority.
 - Section 3 is completed by the external auditor and will be returned to the authority.
- The authority must approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both must be approved and published before 1 July 2019.
- 4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, must return to the external auditor by email or post (not both):
 - the Annual Governance and Accountability Return Sections 1 and 2, together with
 - a bank reconciliation as at 31 March 2019
 - · an explanation of any significant year on year variances in the accounting statements
 - · notification of the commencement date of the period for the exercise of public rights
 - Annual Internal Audit Report 2018/19

Unless requested, do not send any additional documents to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed the review and is able to give an opinion on the limited assurance review, the Annual Governance and Accountability Section1, Section 2 and Section 3 – External Auditor Report and Certificate will be returned to the authority by email or post.

Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on a publicly accessible website:

Before 1 July 2019 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- Section 1 Annual Governance Statement 2018/19, approved and signed, page 4
- Section 2 Accounting Statements 2018/19, approved and signed, page 5

Not later than 30 September 2019 authorities must publish:

- · Notice of conclusion of audit
- · Section 3 External Auditor Report and Certificate
- Sections 1 & 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Code of Conduct June 2012

As a member or co-opted member of Baslow and Bubnell Parish Council, I have a responsibility to represent the community and work constructively with our staff and partner organisations to secure better social, economic and environmental outcomes for all.

In accordance with the Localism Act provisions, when acting in this capacity i.e.

- At formal meetings of the Council, its Committees and Sub-Committees
- When acting as a representative of the authority
- In discharging functions as a Ward Member
- At briefing meetings with officers and at site visits
- When corresponding with the authority, other than in a private capacity

I am committed to behaving in a manner that is consistent with the following principles to achieve best value for our residents and maintain public confidence in this authority.

SELFLESSNESS: Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

INTEGRITY: Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

OBJECTIVITY: In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

ACCOUNTABILITY: Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

OPENNESS: Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

HONESTY: Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

BULLYING AND HARASSMENT: Holders of public office must treat others with respect and must not pursue a course of conduct which amounts to bullying or harassment of another.

LEADERSHIP: Holders of public office should promote and support these principles by leadership and example.

The Act provides for registration and disclosure of interests and in Baslow and Bubnell Parish Council, this will be done as follows:

1. DISCLOSABLE PECUNIARY INTERESTS

I will -

- Comply with the statutory requirements to register, disclose and withdraw from participating in respect of any matter in which I have a Disclosable Pecuniary Interest as defined in Appendix A.
- Keep my register of interests up to date and notify the Monitoring Officer in writing within 28 days of becoming aware of any change in respect of my interests.
- Make verbal declaration of the existence and nature of any Disclosable Pecuniary Interest at any meeting at which I am present at which an item of business which affects or relates to the subject matter of that interests is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.

2. SENSITIVE INFORMATION

Where I consider that the information relating to any of my interests in 1 above is sensitive information, and the District Council's Monitoring Officer/Parish Council Clerk agrees, I need not include that information when registering that interest, or, as the case may be, a change to that interest under section 1. In this Code "sensitive information" means information whose availability for inspection by the public creates or is likely to create, a serious risk that I or a person who lives with me may be subjected to violence or intimidation.

3. OTHER INTERESTS

In addition to the statutory requirements, I will make verbal declaration of the existence and nature of any other non disclosable pecuniary interest or non pecuniary interest at any meeting at which I am present at which an item of business is under consideration, at or before the consideration of the item, or as soon as the interest becomes apparent where –

- The matter may be particularly regarded as affecting the well-being or financial standing of me, a friend or a member of my family
- It relates to, or is likely to affect, any of the interests listed in Appendix A to this Code, but in respect of my family or friends.

As a Member of Baslow and Bubnell Parish Council, my conduct will in particular address the statutory principles of the Code of Conduct by:

Championing the needs of residents – the whole community and in a special way
my constituents, including those who did not vote for me - and putting their
interests first.

- Dealing with representations or enquiries from residents, members of our communities and visitors fairly, appropriately and impartially.
- Not allowing other pressures, including the financial interests of myself or others connected to me, to deter me from pursuing constituents' casework, the interests of the Parish Council or the good governance of the authority in a proper manner.
- Exercising independent judgement and not compromising my position by placing
 myself under obligations to outside individuals or organisations who might seek to
 influence the way I perform my duties as a member/co-opted member of this
 authority.
- Listening to the interests of all parties, including relevant advice from statutory and other professional officers, taking all relevant information into consideration, remaining objective and making decisions on merit.
- Being accountable for my decisions and co-operating when scrutinised internally and externally, including by local residents.
- Contributing to making this authority's decision-making processes as open and transparent as possible to enable residents to understand the reasoning behind those decisions and to be informed when holding me and other members to account but restricting access to information when the wider public interest or the law requires it.
- Respecting the confidentiality of information which I receive as a member in accordance with the District Council's Member/Employee Protocol.
- Behaving in accordance with all our legal obligations, with particular regard to the:
 - Data Protection Act 1998
 - Freedom of Information Act 2000
 - Bribery Act 2010
 - Equality Act 2010
- Having regard to the principles of the authority's policies, protocols and procedures, including on the use of the Authority's resources.
- Valuing my colleagues and staff and engaging with them in an appropriate manner and one that underpins the mutual respect between us that is essential to good local government.
- Always treating people with respect, including the organisations and public I engage with and those I work alongside.
- Providing leadership through behaving in accordance with these principles when championing the interests of the community with other organisations as well as within this authority.
