Clerk

Clerk

- o Bridge End Regeneration:
  - Parking (separate item)
  - Green improvements through planters and interpretation Cllr Dawson's paper was discussed. It was agreed that the KBB Working party will lead on this and discuss the suggestions with the businesses in the area.

KBB

Bridge – Cllr Tucker has had a reply from Heritage England that "The repairs were undertaken by conservation architects and masons with a lot of experience of this type of work. The ethos for the repairs was a 'like-for- like' replacement – removing the degraded stone and replacing with new fabric of the same stone type. This is a standard approach and was agreed with Historic England. The replacement stone will look very 'new' for a little while, but they will soon start to darken and better blend with the earlier fabric as time goes by. The reason for using fresh cut stone with these 'sharper' edges is that it matches the original fabric and style of the stonework, and the original line of the opening. The new stone will itself in turn start to degrade and erode, and what looks like a sharp edge now will in the future soften down". Cllr Tucker will continue discussions.

Cllr Tucker

Parking issues – The issues of parking in Bubnell Lane and the whole village was
discussed. The Parish Council would like to support a resolution to some of this.
However, there is no data for how many parking spaces are required, how current
spaces are being used. A potential option is a resident parking scheme. It was
agreed that there was a need for a working party of the Parish Council with
residents and businesses. An initial meeting of a working party consisting of Cllr
Dawson, Cllr Tucker, Cllr Clark and Cllr Brown will be held in the next month.

### **Baslow & Bubnell Parish Council**

### Regenerating Bridge End: Progress report for PC meeting, November 2021

### **Planters**

- 1. These were supported verbally in principle by all but one retail outlet, Vintage Living being the exception. The Beauty Salon, the Art Gallery, Simply Pale, Charlie's, the Prince of Wales and the CO-OP offered sponsorship, either in cash terms or by maintaining a planter. This needs to be formalised.
- 2. Sites were discussed with the most promising appear to be outside the CO-OP, outside Simply Pale and somewhere near the Art Gallery, with one on either side of the church entrance. The corner near School Lane is also a possibility.
- 3. A request was made to return a bench to the car entrance to the church. They were reported to have been well used before removal. (NB: There is room for a bench plus two planters).
- 4. Rev Graham Duncan supported the suggestion and a church volunteer has agreed to maintain those outside the churchyard. The Orchard group have verbally agreed to support maintenance of planters not maintained by businesses.
- 5. We need to apply for appropriate permissions from Highways.
- 6. Costs Per planter: £212.90 + £137.50 compost & plants= £350.40 inc VAT

  Replacement bench : £387.74- £542.28 inc VAT

The PC is asked to approve the expenditure for 5 planters and a bench.

### **Heritage boards**

- 1. Were supported by all businesses. The CO-OP and the Prince of Wales would be happy to display such on their buildings subject to any necessary consents. The Prince of Wales would in principle contribute financially.
- 2. The History Group has been asked if they will provide appropriate text for any heritage boards. An initial response is positive but, as yet, informal.
- 3. The History Group and Festivals Group have been approached to see if they might contribute financially to the heritage boards. Responses are awaited.
- 4. Locations and sizing yet to be agreed, dependent on content, before permissions can be sought from highways and planners.

### **Churchyard & Old Ford**

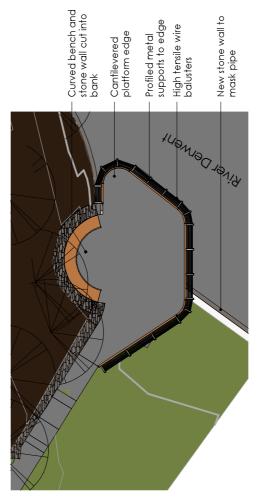

- 1. Informal discussion with Rev Duncan has taken place on improving the riverbank. He plans to discuss with the PCC.
- 2. A joint PC/Church work party has cleaned the War Memorial and cleared the weeds from 3 gateways into the churchyard.
- **3.** The clerk has received input from a landscape architect on improvement to the seating area at the Old Ford. (See attached images). This is purely guidance on what type of changes might be feasible with the site constraints.

The PC is asked to consider whether it wishes to pursue this type of project.
