11. Reports from Committees:

- Orchard Group – After last year’s AGM there was a workshop for things which could be done. From that came a request for a picnic bench and level the access for wheelchairs. The Apple Day in October was a great success. Few Committee member changes and supported the school in planting a tree. This was a replacement to a tree which had failed. The AGM this month is on Saturday 20th May from 11.30am.
- Baslow Sports Field – There has been a struggle post covid and with increased costs. Café is doing really well. Looking for more members across the sports. Things are looking positive. Sportsfest will be in June.
- Village Hall – Undertaking fund raising events to raise the profile of the Village Hall

12. AGM Closed moved on to Council meeting at 7.51pm

DATE OF NEXT AGM - Tuesday 21st May 2024 at 7.30pm in the Baslow Village Hall

MINUTES

For the meeting held on 16th May 2023 at Baslow Methodist Chapel

Councillors present:	Christopher Brown	Richard Clark	Apologies:	Cllr Jayne Rawlinson
	Jane Buckham	David Dawson		Cllr Kath Potter (Peak Park)
	Simon Chalk	Jonathan Holsgrove		PCSO Anthony Boswell
Others:	Cllr Susan Hobson (DDDC&DCC)	Steve Brown		PC Shaun Jakins

	Tim Tucker			

Report / Action Required

1. There were apologies for absence received from Cllr Rawlinson, Cllr Kath Potter, PC Shaun Jakins and PCSO Anthony Boswell.

2. There were no declaration of interests.

3. Public speaking

- Cllr Susan Hobson – is the County Councillor and newly elected District Councillor. The County Council are having a ward boundary change and information has been circulated. Cllr Hobson has been working with the Clerk around the SID installation. The Pathways project for rewilding the verges. This is building on the DDDC Green Team project. There is some concern about the number of areas and how this is being managed rather than just being left. Clerk will email Cllr Hobson regarding this. Cllr Hobson has had quite a lot of correspondence regarding the status of Over Lane. She has also been approached by a resident requesting a reconsider for a bench in the burial ground.

Clerk

- Cllr Brown for Cllr Rawlinson and Sweet Genes – Concern over the number of requests for change for the car park machine wiping out her change for the day. Sarah Titman has requested a new machine which includes a card facility. There is also some confusion over the signage for parking on the road at Nether End.

Cllr Hobson

- Cllr Chalk – Obscured road sign by Golden Gates. It has been reported to DCC but yet to be done.

- Clerk for resident – Camping in the Church yard or burial ground. It was in the evening but didn't stay the night.

- Clerk for PC Shaun Jakins:

Shaun is the new member of the PCSO team following PC Linda Hancock's retirement and he looks forward to meeting you. As this is following the annual meeting he thought it would be helpful to provide you with a list of reported crimes for the Baslow and Bubnell area in the twelve month period from the 11th May.

The following crimes have been reported:

- Vehicle Interference x 2
- Shop Theft x 4
- Criminal Damage x 2
- Theft of Motor Vehicle x 2
- Theft of Caravan x 1
- Theft x 2
- Dwelling Burglary x 5

There have also been reports of suspicious persons and vehicles in the area recently. We would ask that any such behaviour is reported and if a registration number of a vehicle can be noted this very much helps with our enquiries which at this time are ongoing. Given the recent instances of vehicle crime and burglaries we would ask all residents to be mindful of their security and not to leave high value items on display in their vehicles or tools in work vans overnight as these are unfortunately being targeted at the moment. In regard to the dwelling burglaries and other serious acquisitive crime our new North Acquisitive Crime Team (NACT) is very much working on these at this time. Much is happening in the background that I cannot go into details with here but I would hope that at some point in the near future we can provide an update on the work that they are currently engaged in.

It is also worth saying that high value pedal cycles are a growing trend in regards to thefts, especially given the proliferation of electric bikes which can cost many thousands of pounds. Storing these items in a shed alone is unfortunately not enough to deter a criminal as sheds are, by their very nature, easy to force entry to and further efforts should be made to secure them using heavy duty bicycle/motorbike

chain locks preferably attached to something heavy and immovable such as a ground anchor.

The assistance of the local NHW and the co-ordinator is very gratefully received. The local NHW are very pro-active and have been of great assistance to the police in providing information regarding suspicious vehicles and incidents in the area. They also assist in the circulation of messages from the Derbyshire Alert messaging service, which provides crime information relevant to an individual's area and is a good way of keeping informed of any emerging local crime trends and by passing on the information from our social media such as our Facebook page.

Anyone interested in the NHW scheme can find out more details and sign up at www.DerbyshireNeighbourhoodWatch.co.uk

We continue to engage with the local community via regular "STREET MEETS" in the village. These give members of the local community the opportunity to speak with members of the Safer Neighbourhood Team and ask any questions or pass on any concerns they may have. Anyone attending the Street Meets is encouraged to fill in a survey stating what, if any, issues or concerns they have regarding the policing of their local area. These surveys then go towards helping us choose our local priorities. I would encourage anyone to come along and tell us of any issues or even just to meet the team and have a chat.

4. The Minutes of the Meeting held on 21st March 2023 were approved.
5. There were no items from Part 1 of the Agenda which should be taken with the public excluded.
6. Matters Arising (actions from previous meetings to note – non-decision making):
 - Planning was discussed under Item 7
 - Suggestions from residents were discussed under Item 8
 - Inspections were discussed under Item 9
 - Working Parties were discussed under Item 10
 - Correspondence – actioned as agreed
 - Vacancies discussed at AGM
7. Planning Applications
New:
 - NP/DDD/0423/0455 – Holly Trees, Derwent Drive, Baslow - Rear extension, garage conversion and Internal alterations – No comments ClerkDiscussed via email – None
Existing:
 - NP/DDD/0323/0270 – 17 Bakewell Road, Baslow - Installation of PVCU conservatory to rear of property – Pending
 - NP/DDD/0123/0080 – Over End House, School Lane, Baslow - Proposed single storey extension to dwelling – Granted conditionally
 - NP/DDD/1222/1617 –Springview and Moorview, Stonelow, Eastmoor - Demolition of the existing two residential dwellings and associated outbuildings, erection of a replacement dwelling, access, car parking, works of hard and soft landscaping and other works incidental to the application proposals - Pending
 - NP/DDD/1222/1562 – Newby House, Over Lane, Baslow - Demolition of timber conservatory and existing garage. Alterations and internal reorganisation of existing house including attic conversion and ground source heat pump. Erection of 2no. single-storey lean to side extensions, rear extension and new garage with living space above. Amended drive, terraced areas. Basement gym and plantroom – Granted conditionally
 - Forestry Commission Felling Proposal Ref: 017/796/2022 - Chatsworth Estate.
 - NP/DDD/0522/0669 - The Beeches 15 Eaton Drive, Baslow - Proposed extensions and alterations to existing dwelling – Granted conditionally
 - NP/DDD/0322/0410 - Lawful Development Certificate for an existing dwelling - Moor View, Stonelow, Eastmoor - Pending
 - NP/DDD/0322/0395 - Application seeks confirmation that the existing buildings on site and surrounding land have been in lawful use for a sufficient period of time that these are now lawful. - Spring View, Stonelow, Eastmoor - PendingEnforcement:
 - ENF 21/0100 - Hulleys of Baslow Derwent Garage Calver Road Baslow DE45 1RPLand at the bottom of Eaton Hill – Significant scheme. There were concerns over ground maintenance ongoing and being involved in the design. The local clause is a concern as it is quite wide but this is stipulated by the planning authority and so the Parish Council has no control on this. Conservation area needs to be in keeping. If offered, do the Parish Council want to take on the community area? It was suggested that the applicant attend the Parish Meeting on 30th May with the full plans.
8. Suggestions or issues from residents:

- Suggestion for a defibrillator by the Co-Op – Clerk has emailed the Co-Op head office and it is being considered.
- Weight restriction on Over Lane – Response from DCC:
 “The existing signage on this route that reads ‘Unsuitable for HGVs’ is an unenforceable sign, which means that no offence is being committed by drivers who choose to ignore it. The signage is there simply to highlight the narrowness of the route ahead. However, if an enforceable 7.5 tonne weight limit was placed on this route then it is unlikely to make much difference to the volume of HGVs using Over Lane, as the HGVs probably require access to the properties in this area; as if they were just passing through this location then it would be quicker to stay on the A623. Consequently, even if a weight limit was introduced on this route, then Derbyshire County Council, as the highway authority for this area, cannot stop HGVs from travelling to premises if legitimate access to them is required, even if the roads that they will utilise are not ideal for the type of vehicle that will be using it. This is national legislation and is indicated by the supplementary plates that read ‘except for access’ that are erected underneath all circular weight limit signs. Therefore, a weight limit would be of little benefit on this route and so the County Council would not consider introducing one here at this time.”
 It is being used as a cut through to Eaton Hill and directed by Sat Nav. Therefore, could the Parish Council erect a sign on private property advising that this is a narrow lane. Clerk will reply asking for a site visit and consider a new sign.
- Request for additional street lighting on Derwent Drive, Baslow – Response from DCC “No new street lighting unless there’s a night-time casualty record, evidence of night-time anti-social behaviour, or if justified as part of a new development”.
- Bus shelters – Cantilevered roof with no sides suggested. This was discussed and felt the cost involved and permissions not worth it
- Parking issues on Wheatlands Lane, Baslow – The resident car that blocked the bin collections last year is parking in the same place again. This has been passed to DDDC to look at.

Clerk

9. Inspections

- Issues from latest inspections?
 - Burial Ground
 - Sunken grave top up – A family member has requested to top up the soil on their grandparent’s grave. Clerk has authorised this.
 - Burial Ground regulations and fees needs reviewing this year and fees approving. Finance Group to look at?
 - Volunteer for inspections – Cllr Dawson
 - Cllr Dawson has lagged the water pipe.
 - Cllr Holsgrove has collected the twigs fallen.
 - Woodland - Rospa will be carried out in May
 - Swings – yes do some fundraising and ask Cllr Hobson for grant funding and ask PTA for an area at the July event
 - Footpaths
 - Complaint about the verge and footpath from 13 Bends junction and Baslow. Clerk has reported footpath.
 - Issue with Minor Maintenance Grant – DCC has questioned this grant being used appropriately. The Clerk requested the officer speak to the ground maintenance contractor and even meet him on site. The officer did neither and visited the sites. He does not seem to have taken into account the fact the contract finishes in October and starts in March and so evidence would be hard to see in February. There was a discussion about leaving the scheme and reporting that to the village. It was felt some areas should continue to be maintained regardless e.g. the Doctors’ footpath. Clerk will complain to DCC.

10. Working Party and General Updates:

- Crime data update for Tideswell, Litton, Baslow and Beeley (<https://www.police.uk/pu/your-area/derbyshire-constabulary/tideswell-litton-baslow-and-beeley>) –
 - 13 crimes in March 2023 – 3 crimes in Baslow:
 - 1 anti-social behaviour
 - 1 other theft
 - 1 shoplifting
 - 15 crimes in February 2023 – 4 crimes in Baslow
 - 2 violent and sexual offences
 - 1 anti-social behaviour
 - 1 shoplifting
- Keep Baslow Beautiful working party

- Coronation Help Out work – benches not done and bridge not done.
- Quiet Lane development and 20s plenty – To be discussed at Parish Meeting. Clerk has been invited to join a multi Parish Clerk group about road safety.
- History boards – To be discussed at Parish Meeting
- Milestone Markers in Baslow – Peak Park working with a resident on improving these following a complaint from the Parish Council
- Planters will be planted up shortly
- SIDs
 - Lamppost application submitted
 - SID has been delivered and now invoiced for.
- Community Speedwatch – 2 volunteers have come forward. Crest has removed the village as an active member of Community Speedwatch as nothing has happened for over a year.
- Chatsworth Christmas Market parking restrictions:
 - DCC have been speaking to Derbyshire constabulary about this
 - It is hoped that There will be "Access for residents only" signs at the entrance to Eaton Hill and School Lane at the weekends
 - Some cones can be put out in agreed spots such as Eaton Place by Chatsworth and removed by them at the weekends. The aim of the cones is to increase visibility around private accesses.
 - There will be a meeting with Chatsworth, the Safer Neighbourhood Team, Clerk and DCC. It was agreed that Cllr Rawlinson is invited to that meeting.
- Parking issues:
 - First meeting held and very positive
 - Second meeting to be held on 22nd May 2023.
- Community Orchard – Tree from the PTA as discussed at the AGM.

Clerk and
Cllr
Rawlinson

 - NP/DDD/0322/0410 - Lawful Development Certificate for an existing dwelling - Moor View, Stonelow, Eastmoor - Pending
 - NP/DDD/0322/0395 - Application seeks confirmation that the existing buildings on site and surrounding land have been in lawful use for a sufficient period of time that these are now lawful. - Spring View, Stonelow, Eastmoor - PendingEnforcement:
 - ENF 21/0100 - Hulleys of Baslow Derwent Garage Calver Road Baslow DE45 1RPLand at the bottom of Eaton Hill – Significant scheme. There were concerns over ground maintenance ongoing and being involved in the design. The local clause is a concern as it is quite wide but this is stipulated by the planning authority and so the Parish Council has no control on this. Conservation area needs to be in keeping. If offered, do the Parish Council want to take on the community area? It was suggested that the applicant attend the Parish Meeting on 30th May with the full plans.
8. Suggestions or issues from residents:

- Suggestion for a defibrillator by the Co-Op – Clerk has emailed the Co-Op head office and it is being considered.
- Weight restriction on Over Lane – Response from DCC:
 “The existing signage on this route that reads ‘Unsuitable for HGVs’ is an unenforceable sign, which means that no offence is being committed by drivers who choose to ignore it. The signage is there simply to highlight the narrowness of the route ahead. However, if an enforceable 7.5 tonne weight limit was placed on this route then it is unlikely to make much difference to the volume of HGVs using Over Lane, as the HGVs probably require access to the properties in this area; as if they were just passing through this location then it would be quicker to stay on the A623. Consequently, even if a weight limit was introduced on this route, then Derbyshire County Council, as the highway authority for this area, cannot stop HGVs from travelling to premises if legitimate access to them is required, even if the roads that they will utilise are not ideal for the type of vehicle that will be using it. This is national legislation and is indicated by the supplementary plates that read ‘except for access’ that are erected underneath all circular weight limit signs. Therefore, a weight limit would be of little benefit on this route and so the County Council would not consider introducing one here at this time.”
 It is being used as a cut through to Eaton Hill and directed by Sat Nav. Therefore, could the Parish Council erect a sign on private property advising that this is a narrow lane. Clerk will reply asking for a site visit and consider a new sign.
- Request for additional street lighting on Derwent Drive, Baslow – Response from DCC “No new street lighting unless there’s a night-time casualty record, evidence of night-time anti-social behaviour, or if justified as part of a new development”.
- Bus shelters – Cantilevered roof with no sides suggested. This was discussed and felt the cost involved and permissions not worth it
- Parking issues on Wheatlands Lane, Baslow – The resident car that blocked the bin collections last year is parking in the same place again. This has been passed to DDDC to look at.

9. Inspections

- Issues from latest inspections?
 - Burial Ground
 - Sunken grave top up – A family member has requested to top up the soil on their grandparent’s grave. Clerk has authorised this.
 - Burial Ground regulations and fees needs reviewing this year and fees approving. Finance Group to look at?
 - Volunteer for inspections – Cllr Dawson
 - Cllr Dawson has lagged the water pipe.
 - Cllr Holsgrove has collected the twigs fallen.
 - Woodland - Rospa will be carried out in May
 - Swings – yes do some fundraising and ask Cllr Hobson for grant funding and ask PTA for an area at the July event
 - Footpaths
 - Complaint about the verge and footpath from 13 Bends junction and Baslow. Clerk has reported footpath.
 - Issue with Minor Maintenance Grant – DCC has questioned this grant being used appropriately. The Clerk requested the officer speak to the ground maintenance contractor and even meet him on site. The officer did neither and visited the sites. He does not seem to have taken into account the fact the contract finishes in October and starts in March and so evidence would be hard to see in February. There was a discussion about leaving the scheme and reporting that to the village. It was felt some areas should continue to be maintained regardless e.g. the Doctors’ footpath. Clerk will complain to DCC.
