Report / Action Required

Clerk

- 1. There were apologies for absence received from Cllr Jonathan Holsgrove, Cllr Kath Potter (Peak Park), Cllr Susan Hobson, PC Shaun Jakins and PCSO Anthony Boswell.
- 2. There were no declaration of interests.
- 3. Public speaking
 - Cllr Susan Hobson apologises for not being at the meeting but has sent through the following:
 - Derbyshire residents and businesses affected by surface water flooding can register for support from the DCC flood grant scheme by emailing <u>flood.team@derbyshire.gov.uk</u>
 - A meeting was held recently at Chatsworth with the Cabinet Member for Highways to discuss the closed road at Beeley. Beeley and Rowsley Parish Council attended and the impact on Baslow, Beeley and Rowsley in particular was discussed.
 - The DCC submission to the Local Government Boundary Commission for England suggests some changes to the Derwent Valley Division. Stoney Middleton would go to Bakewell Division and Harthill, Elton and Winster Parishes would become part of Derwent Valley Division. I must stress that this is the DCC submission. Ultimately the LGBCE will make the decision. All the relevant information is contained on the DCC website covering the full council meeting on 12 July.
 - Please can you publicise the DCC Summer Reading Challenge for children– I launched this at Chesterfield Library last Saturday. This year's theme is sport and games. Find out more at your local library or on the DCC website. Children can read or listen to any six library books over the summer holidays and be rewarded every step of the way with stickers, culminating with the award of a medal and certificate
 - Please can you also make residents aware of the free summer Sunday bus rides. Local residents and visitors to Derbyshire are being offered free bus rides on six summer Sunday mornings. Most bus operators across the county are taking part in our scheme, with free bus journeys being offered from the first service each Sunday from 23 July 2023 to 27 August 2023 up until midday. Buses that start their journeys in Derby are not included.
 - Clerk for residents:
 - \circ $\,$ Concern over the flyers for the comedy club. Clerk has emailed the village hall who will address this.
- 4. The Minutes of the Meeting held on 16th May 2023 were approved subject to noting Police Constable Shaun Jakins is the new member of the Safer Neighbourhood Team (SNT) not the PCSO Team as stated.
- 5. There were no items from Part 1 of the Agenda which should be taken with the public excluded.
- 6. Matters Arising (actions from previous meetings to note non-decision making):
 - Planning was discussed under Item 8
 - Suggestions from residents were discussed under Item 9
 - Inspections were discussed under Item 10
 - Working Parties were discussed under Item 11
 - Correspondence actioned as agreed
 - Vacancies were discussed under Item 7
- Councillor Co-Option and Councillor updates for the website.
 3 residents have stood for co-option and this was unanimously approved. Stephen Brown, Nick Gilbert and Martin Watson were welcomed as new Councillors

8. **Planning Applications** New:

NP/DDD/0623/0661 - Land North Of Cock Hill, Nether End, Baslow - Erection of 3no. entry level exception (affordable) homes, incorporating the landscape and ecological enhancement of the balance of the land - Hasn't been an affordable home scheme approved in the Peak Park in 10 years. It was agreed to support the improvement of that area and welcomes a new communal space. The design of the properties appears to be in keeping with the conservation area and affordable housing would be an asset to the Parish. Clerk There was a discussion about the communal area and it was agreed to ask Keep Baslow Beautiful group to lead this.

- Suggestions or issues from residents: 9.
 - Suggestion for a defibrillator by the Co-Op Clerk has emailed the Co-Op head office and it is being considered.
 - Weight restriction on Over Lane The response from DCC is "I understand you feel this • route is being used as a cut through by HGV drivers, though on the face of it this would seem unlikely. Any HGVs passing through would surely be quicker staying on the main road network. As such, HGVs using Over Lane are more likely to be doing so as they require access for deliveries.

Additionally, further deterring HGVs requiring access to Over Lane from the A623 Baslow Road when travelling south, which I appreciate is far from ideal, would mean they would need to make alternative access via School Lane and Over Road which might perhaps be considered worse.

I appreciate that this isn't the response you were hoping for though I trust I have been able to outline our thinking on this matter."

This was noted. It was suggested to ask DCC to request a sat nav update to highlight this Clerk as not a through road for HGVs.

When they bought the business, they were given a 5-year lease. There are many options they are looking at for their future.
