

## Bakewell Safer Neighbourhood Team

As many of you will be aware the Bakewell Safer Neighbourhood Team's current priority is Road Safety, which includes speeding and dangerous parking offences such as those committed by parking on a white line system. With that in mind officers from the Safer Neighbourhood Team conducted Speed Enforcement Checks this month in Wardlow and Hathesage, no motorists were observed speeding at either location. Fixed Penalty Notices have also been issued to vehicles contravening the White Line System in Grindleford after patrols found vehicles to be committing offences.

During the week of 12<sup>th</sup> to 19<sup>th</sup> November, officers from the Safer Neighbourhood Teams across the Derbyshire Dales will be out engaging with the community during engagement events about knife crime and sending messages out about the topic.

Did you know you can use Crime Stoppers to report issues with drug dealing and drug use anonymously? You can ring either 0800 555 111 or visit the website: [crimestoppers-uk.org](http://crimestoppers-uk.org)

Every month the Safer Neighbourhood Team conduct community engagement events in various rural towns then members of the community to come and speak with us regarding their concerns. If you are holding an event and would like to us to be present, please get in touch.
