

BAKEWELL SAFER NEIGHBOURHOOD TEAM.

Bakewell priorities; As many of you will be aware the Bakewell Safer Neighbourhood Team's current priority is Road Safety, which includes speeding and dangerous parking offences such as those committed by parking on a white line system. With that in mind we have planned speeding operations throughout December.

Community Engagements:

Throughout this month we have had several great community engagement opportunities ranging from school talks at Youlgrave all saints primary school and others to discuss online safety and the effects of bullying both online and in person, and further talks regarding road safety and expectations in the community.

Local community issues we are targeting:

- **Hollywell parking issues.**
- **Shoplifting around the town centre.**
- **Burglaries in rural communities.**
- **Cycle thefts**

If you feel as though there are more issues than what we are currently aware of please do come to some of our community engagements where we can hear you out, alternatively you can tell us about your local issues via the following www.derbyshirealert.co.uk.

Did you know you can use Crime Stoppers to report issues with drug dealing and drug use anonymously? You can ring either 0800 555 111 or visit the website: Crimestoppers@uk.org
