- Thank you for the support over the flooding. The village helped one another, a great community spirit. Is there anything we can do to help put pressure on the environment agency and DCC about making improvements. Barbrook Cottage flooded in 2007 but the only property whereas this time many neighbours were also flooded. It was pretty grim and want to support a strategic approach. Has completed the flooding form and hopes to receive a grant.
- Cllr Susan Hobson:
 - Regarding updates from the Clerk, she would rather have information more than once when it is important information like flooding. Thank you to everyone who helped and continues to help with he aftermath. The Environment Agency are slow to respond but now has a contact which will be shared with the Clerk. The meeting on Saturday was positive and the issues in Baslow are similar across the area. Sarah Dines MP was keen for a voice to be given to the smaller flooded areas and that the focus wasn't just on the towns.
 - o The blocked drains in Baslow have been chased again as not been unblocked.
 - Baslow is in the top 8 for sandbags from DDDC but the issue was the drop off was flooded. Need to look at other options as sandbags do deteriorate.

 - Burial Ground Cllr Dawson will continue to inspect. There are a few wobbly headstones which the Clerk is dealing with (one has been laid flat). There is also a Keep Baslow Beautiful working party planned to tidy up the brash and leaves, once the leaves have all dropped.

Clerk

- Woodland No report
- Footpaths
 - Cavendish Hotel footpath needs some repair on the lower section of path into the field. Clerk to contact Chatsworth about this and get a quote for work.

Clerk

Clerk

- Doctor's footpath William Brindley has cleared the leaves of the doctors footpath and as much of the mud as possible. He recommends the path should now be cleaned. It was agreed to review in the spring.
- Bar Road gullys The drains on bar lane are heavily full of silt and mud.
 William Brindley has cleared them to the best of his ability. Require the highways to come and suck the drains clear.
- Bar Road Cllr Buckham and Cllr Brown met a resident who uses a field at the top of Bar Road regarding access to the field. The County Council resurfaced the lower part with tarmac about 20 years ago and the loose chippings was done at the top 30 years ago. Severn Trent can't access their reservoir due to the track quality and so are accessing over a field. It is dangerous and the storms have made it worse. The lady had reported the issues to DCC in 2022. Clerk to report to DCC.

10. Working Party and General Updates:

- Flooding
 - letters from Sarah Dines MP and meeting on Saturday 18th November. Cllr Dawson and Cllr Buckham attended the meeting. There were representatives from all the affected Parishes and Chatsworth. The issue was surface water running into the streams, much of the infrastructure created a century ago was no longer fit for the increased rainfall now experiencing in a short space of time (e.g. Hulley's pipe no longer big enough), the existing structure has not been well maintained such as blocked drains. Matlock flooding due to huge development of housing between Matlock and Darley Dale. Poor discussions amongst the multiple agencies involved. New housing development developers produce a flooding plan and goes to STW but no one looking at cumulative affect of each separate development. Run off between Ladybower and STW regarding modelling which is now out of date. Needs updating but going to take years to improve the modelling. Stops them from drawing down water levels in anticipation of flooding risk in a few years. Sarah Dines MP keen to emphasise there is money coming and she will be reporting back on the issues but it will take time. Positive note some suggestions Chatsworth addressing some of this surface water issues with activities they are already doing - Leaky dams. Derbyshire Wildlife talked about tree planting and catchment areas on the moors. Barbrook had a reservoir and in 1972 it caused a flood due to gates being left open. It would be possible to do something to make it more of a reservoir again. Old water catchment reservoirs linked to the old lead works, which could be reinstated. This is above the Chatsworth land so probably on National Trust land. PC doesn't have the power to implement this but can help influence. Gully through Barbrook needs looking at. Debris build up along Barbrook.
 - \circ Village Hall Thank you for the support during the flood recovery. They needed £2500 for repairs and this has almost been raised through events and Senior Citizens
 - Drains and flood defences Suggestion about sandbags and whether the PC should have their own sand and bags. Change of DDDC drop off location for sandbags. Clerk to suggest. Have a special meeting to discuss flooding at the end of January.

Clerk

- Response Cllr Buckham didn't know what others were doing. She was moving between different places. There was a discussion that the Parish Council Whatsapp group between will help but that it eeds to be only used for urgent communication. Discussion about getting flood warnings out.
- Chatsworth items reported
- Traffic items:
 - Chatsworth Christmas Market parking restrictions The sign at the bottom of Eaton Hill was moved into road. It was placed on the pavement. This is a trial and will be reviewed after the markets. The Council would like to see the restrictions in place every weekend, and there needs to be something on Bubnell Lane.
 - School voluntary one-way system Parents parking illegally on double vellow lines is also an issue.
 - Parking issues None others raised
- Crime data update for Tideswell, Litton, Baslow and Beeley (https://www.police.uk/pu/your-area/derbyshire-constabulary/tideswell-<u>litton-baslow-and-beeley</u>) -
 - 13 crimes in August 2023 0 crimes in Baslow
 - 17 crimes in September 2023 4 crimes in Baslow

 - 1 other theft 0
 - 1 other crime 0
- Keep Baslow Beautiful working party
 - The minutes were circulated and most items have been covered.
 - Nether End car park building A meeting has been held with potential users and DDDC. However it is felt there is no use for this to any village groups, the Parish Council or Sweet Genes.
- Finance Working Party
 - Budget is under Item 11. Burial ground fees are discussed under Item 9. Website charges to be discussed
 - Policies Cllr Brown has worked through the standing orders and financial regulations. These will be on the agenda for January. The other policies have been sent out are standard Parish Council policies.
- SID Grant from the Police Crime Commissioner applied for and granted £1,500.
- Internet speed Cllr Gilbert raised this at the last meeting as the speeds are not very good and there are no plans for it to be upgraded by Openreach any time soon. Speeds are between 75 and 10. Openreach has a map detailing all the hubs and Baslow has fibre but now needs ultrafast fibre within the next 5 years. This needs addressing. Fibre Community Partnership needs creating, and this can only be done by expressions of interest from residents. Then can apply for a gigabit voucher for £4500 to pay for improvements. Cllr Gilbert will send the Clerk the link and some information to circulate to residents.
- Defib training at the Parish Meeting Agreed to hold this.
