Update on the Road Safety priority.

You Said... By completing Derbyshire Talking surveys that Road Safety with regards to speeding and dangerous parking offences such as those committed by parking on a white line system was an issue to you.

We Did... We have attended locations where a white line system is present and issued tickets to vehicles committing the offence. These tickets have been issued to vehicles in Hathersage, Grindleford, Bakewell and Alport near Youlgrave.

Update on the Burglary priority.

You Said... By completing Derbyshire Talking surveys that Burglary and the fear of it was an issue to you.

We Did... We have provided crime prevention advice through our SNT Facebook page, Derbyshire Alert and during our community engagement event. Officers from the Safer Neighbourhood Team have been conducting proactive patrols in the locations where burglaries have taken place to provide reassurance.

Officers from the Safer Neighbourhood Team have been visiting nurseries, schools and other community groups doing various talks over recent months. If you would like to team to visit your nursery, school or community group, please get in touch. Thanks
